Subject: PFAS and HABs risk communication project
Attachments: MOA pilot summary_August 2017 (Oct 19).docx; PFAS Exposure Assessment Technical Tools PEATT June 2017.pdf
Location: 866-299-3188, code **Personal Phone / Ex. 6**
Start: 10/19/2017 7:00:00 PM
End: 10/19/2017 8:00:00 PM
Show Time As: Tentative

The purpose of this call is to discuss how ECOS and ASTHO plan to work with their member states on the new risk communication pilot for PFAS and HABs, and to review the draft timeline and expected products. In order to allow sufficient time for this state focused dialogue, we ask that those EPA folks joining the call please review the attached pilot description and let us know if you have questions prior to the call. Thank you.

New - Attached pdf of PFAS Exposure Assessment Technical Tools.
